

Thank you for attending today.

Please complete the feedback form and either return it today in the box provided, or by mail in the reply paid envelope provided.

The draft Concept Master Plan has benefited from the community feedback received to date. Comments received today will be taken into consideration in the finalisation of the plans.

Once finalised the plans for Lyons will be submitted to the Development Consent Authority and the normal public processes will occur.

It is expected that plans for Lyons will be lodged during July.

The outcomes of the consultation process will be documented in an outcomes report that will accompany the material lodged with the Development Consent Authority.
